\$10,000 Grant Fuels Financial Literacy Program for Rochester Youth

In 2025, the First Alliance Credit Union Foundation made its **largest grant to date**, awarding **\$10,000 to the Boys & Girls Club of Rochester** to expand the Money Matters financial literacy program and reach more local youth with essential money skills.

“We are honored to continue supporting the Boys & Girls Club as they equip kids with the knowledge and confidence to make sound financial choices, setting them up for lifelong success.

- Jenna Taubel, Board Chair of the First Alliance Credit Union Foundation

“With this support, we can take Money Matters to the next level, empowering our teens with tools and confidence to make smart financial decisions for the rest of their lives.

- Danielle Thompson,
Director of Resource Development for
Boys and Girls Clubs of Rochester

Mission Statement

The First Alliance Credit Union Foundation’s mission is to make financial success achievable for all. We believe the key to financial success starts with alleviating financial stress, especially for those communities that have been historically underserved. To that end, we support organizations that seek to relieve the financial stress of those in need but also use innovative, inclusive programs and proven methods to empower individuals by providing them with the financial tools they need to succeed.
